WORK EXPERIENCE

PE Front Office
Web-Developer
(October 2021 - Present)

Working independently on improving the UI and the functionality of their Help-Center making it comprehensive and easy to use. Working on tight deadlines and constant changes.

SantaNet
Web-Developer
(August 2021 - Present)

Worked collaboratively with a team of Web-developers to build the website for the NGO.

DataGrad
Co-Founder
(July 2021 - Present)

Co-Founded the organization and led a team of 4 individuals to efficiently create and deploy this platform working in the domains of both Web-Development (React + Flask) and Machine Learning (Python).
With the availability of numerous paid and free resources on the internet, it becomes overwhelming for students to learn new skills. DataGrad aims to bridge the gap between top MOOCs like Coursera, Udacity, EdX, and students eager to learn new skills. One only has to enter their level and the skill they want to learn, and DataGrad presents the Top 5 relevant courses curated carefully, based on the skill, picked from various sites to them.
